Tips from the Teacher:

This week in Bible we will be learning about Paul and Barnabas and how they encouraged others.

We will be doing review charts that mix rules from all of the charts in phonics class and learning rules for adding prefixes and suffixes.

Reading a fifty-page books in May will earn the students a spot on their dalmatian.

Some students are having difficulty memorizing the multiplication and division tables. They may need extra flashcard work beyond what we do in class and what is assigned for homework. Math computer games using those math facts can also help.

Our fieldtrip to Conner Prairie is all day on May 11th. We will be touring Conner Prairie in the morning, eating a sack lunch, and then taking a class in the afternoon where we will be churning butter, making cornbread, and dipping candles. Please pray for good weather. The students will need to bring umbrellas if there is a chance of rain. It looks like we will have to take cars instead of the bus. Please send a car seat that morning if your child legally needs one.

I am slightly low on store items now if you have any that you would like to donate. It would be appreciated.
