Tips from the Teacher:

This week in Bible we will be learning about Paul and Silas and how they shared their faith.

We will be doing review charts that mix rules from all of the charts in phonics class and learning rules for adding prefixes and suffixes.

Reading a fifty-page books in May will earn the students a spot on their dalmatian.

Some students are having difficulty memorizing the multiplication and division tables. They may need extra flashcard work beyond what we do in class and what is assigned for homework. Math computer games using those math facts can also help.

I am slightly low on store items now. If you have any that you would like to donate it would be appreciated.

It is hard to believe we only have two weeks left. Our class will wear light blue on fieldday, May 27th, which is a half day.
