### Financial Assistance

Families may be eligible for tuition assistance through School Choice, SGO, Financial Aid, and Work Programs.

**School Choice --** State Voucher program based on household income.

**SGO --** This is a grant that can offset some cost which is based on your income.

**Financial Aid --** This is based on need, and must be submitted by application through FACTS.

**Work Programs --** There is part-time work around MCA that can help offset tuition cost.

**2024-2025 Tuition:** There are several ways to pay tuition through the FACTS Tuition Management System. During enrollment you will be directed to FACTS to fill out an application for setting up your secure tuition payment account. You will need to choose a payment plan option that works best for your family's needs during the application process. (Note: Monthly payment amounts are based on 12 payments which start in June 2024 and are completed by May 2025.)

**Annual Enrollment Fee (per child)** is \$50 for returning students paid by January 31, and \$150 for any student enrolling (or paying) **after** the January 31 re-enrollment deadline. New student enrollment is \$150 and Preschool is \$50. These fees are non-refundable once accepted.

**Annual Book Fee (per child)** is \$200 for K-12 and \$100 for Preschool. The payments for book fee will be half by June 15 and the other half by December 15.

MCA tuition does not reflect all of the costs it takes to educate your child. Fundraisers help supplement added costs; and we ask that you participate in these fundraisers throughout the school year whenever possible. Once enrolled at MCA, you join a community whose goal is to guide our students to grow academically, spiritually, and socially. We look forward to partnering with you and your child in this process.
